

PIANO LESSONS

BEGINNING, INTERMEDIATE, AND ADVANCED

Beginning and intermediate piano lessons are offered during school hours for students in the first through twelfth grades. Beginning and intermediate piano students meet once a week for a 30-minute lesson. Beginning and intermediate lessons are available at a monthly rate of \$72. Advanced lessons are held once a week for 45 minutes and require a \$96 monthly payment. It is necessary, of course, for the student to provide his own practice instrument at home. We will also be offering a first- and second-grade group class for beginning keyboarding students at the rate of \$60 per month.

If you are interested in piano lessons, please complete the appropriate registration form and send it to us as soon as possible. Students will be required to practice on a daily basis and will need access to a keyboard at their homes.

All lessons will be available on a first-come, first-serve basis.
